Criteria

Please describe how your organization meets each of the following criteria.

The organization supports health, social, educational or sports projects or programs. Please explain

Examples: Sports Leagues (Not Individual Teams), School Programs, Community Centres

The organization is a non-profit/charitable organization. Please provide any details.

To be eligible for funding, the applicant must be a non-profit group or charitable organization.

The funding will be used for a community event, not an individual sports team or individual. Please provide details.

*The provided funding must benefit the entire community, and not favour one group over another within that community
Example: Providing funding for a baseball league benefits all the teams in the league.*

Describe how the funding will be used for "vital" community needs.

The funding is meant to help those that are in need, such as outreach centres and underfunded educational programs.

Demonstrate support of the community and not duplicated services.

You must be able to provide proof that your organization has or will benefit the community

The organization board of directors should be made up of volunteers who do not financially benefit from the organizations operations. The organization must not be a political party or a political group.

Use the space provided to outline your organizations structure, using member names and titles

This request is for a one time contribution.

*The GPPA will **not** make recurring payments.*

Please explain why you are requesting funding from the GPPA as well as provide any further details about how you intend to use it.

Funds that are awarded must be used within 1 Year or they must be returned to the GPPA.
The GPPA will require proof that the funds have been used accordingly.

The organization must be willing to enter into an agreement with the GPPA, providing the GPPA with recognition for their contribution.
